Yellow Jacket

McAdory High School
McAdory Alabama

Dedication

The Senior Class of 1961 proudly dedicates the 1961 Yellow Jacket to Mr. Richard R. McAdory. His great understanding and love for McAdory has long been the guide of teachers and students alike. Whether in his laboratory, with his bus drivers, or just in the hall, Mr. McAdory is always ready to help those who need him.

Mr. McAdory, we, the Senior Class, do with greatest esteem dedicate this, our '61 annual, to you with deepest appreciation for all the interest you have shown in us and all the students at McAdory.

FACULTY

Principal's Message

Your parents, your teachers, and I share with each of you a sense of pride in your accomplishments. At the same time we wonder what graduation will mean to you. Are you at your peak now, or will you accept new challenges? Many decisions are yours, and you must make them. Although our associations may end with your graduation, we shall still be interested in you. You are the future. Do not look back someday and think what life could have been, but decide today that you will make life what you want it to be.
